Product Details

Customise Your Sign

With our Design Tool you can easily upload your own logo, add custom text, add clipart or photos, or upload your own complete artwork. Our templates are designer-created and offer a great base to build your sign to your requirements

You can also choose to order this sign without adding a logo or customisation. Just choose 'Add to Cart' and to skip the Design Tool area

Size Options

We offer 3x standard size options to choose from

- 450 x 600mm
- 600 x 900mm
- 900 x 1200mm

We have the ability to print any custom size, please get in touch with us.

Corflute Applications

Corflute signs are a great solution for short term use, that are resistant to the weather and won't break the bank. It's made from ribbed plastic that is durable and lightweight, and can easily be moved and reused

- Weather Resistant
- Cost Efficient
- High Quality Material
- Indoor or Outdoor Applications
- Ideal for Events

Eyelets can be added to your sign to a quick and easy way to secure it. Any form of tie-downs and even zip-ties can be used to secure your corflute sign to their desired location. This is the best way to achieve a temporary fixture that can easily be taken down at a later date.

ACM Applications

Aluminium Composite Material is a highly durable, long-term solution ideal for store-front signs and large scale advertising for indoor or outdoor use. ACM is made from two aluminium sheets with a core of Polyethylene polymer

- Has Great Longevity
- Indoor or Outdoor Use
- Perfect for Building Signs

Print Quality

Expect a premium quality print with all of our signs. We take great care to ensure that at the end of production the result is nothing less than a premium quality product.
