## Product Details

### Foam PVC Signs

Foam PVC is a popular option for retail and hospitality signage, offering a smooth, flat surface for quality printing. When printed with high resolution imagery it produces stunning results, making it the ideal solution for attention-grabbing displays. It can be printed on one or both sides,

### Applications

- Informational signs
- Retail & POS Displays
- Expos
- Vibrant artwork displays
- Wayfinding signage

### Features

- Smooth, flat surface
- High resolution, vibrant results
- Lightweight and versatile

### Thickness

We offer both 3mm and 5mm PVC foam. For more longevity and a tougher, more rigid stock, choose 5mm.
